## INTERLOCAL AGREEMENT

THIS AGREEMENT is made and entered into by and between the City of Lincoln Lancaster County Railroad Transportation Safety District, hereinafter referred to as "District", and the City of Lincoln, Nebraska, a political subdivision of the State of Nebraska, hereinafter referred to as "City" for the replacement of the Harris Overpass on "O" Street from 3rd Street to 9th Street, City Project Number 701781, hereinafter referred to as "project."

WHEREAS, the District operates to further the policy of the State of Nebraska to reduce the number of fatalities and injuries caused by collisions between motor vehicles and railroad trains; to eliminate as far as possible unnecessary conflicts between railroad transportation and highway transportation; to improve the movement of both rail and highway traffic by eliminating grade crossings; and to assist in relocation of railroad facilities that bisect the central portions of municipalities, thus hampering the growth of both the municipality and the railroad services; in order to benefit and enhance the community as a whole pursuant to Neb. Rev. Stat. § 74-1301, et. seq.; and

WHEREAS, the District has the right and authority to enter into contracts or other arrangements with municipal corporations making full use of the Interlocal Cooperation Act for, among other things, assistance in the design, construction, maintenance, sale, or lease of the works

of the District; and making surveys and investigations or reports in relation to the objectives of the
